

RULES FOR THE RECORDING OF JOURNALISTIC FILM AND PHOTOGRAPHIC MATERIAL

Dear Editors,

We would like to point out that the following rules apply to journalistic photography and filming with regard to all Panoramas of Yadegar Asisi, unless otherwise specifically agreed in advance with asisi F&E GmbH.

As a general rule:

- Photography and filming are approved and desired for EDITORIAL PURPOSES
- Photography and filming for ADVERTISING PURPOSES are not permitted
- The Panorama must be filmed or photographed within the context of the visitors /the space
- Filming and photographing the Panoramas using 360° or panorama technology is not permitted (all-round recording of the Panorama via film, photograph or video is not permitted).

The above restrictions also apply expressly to news reporting.

Best regards,
The Panorama
